

dev5310 awarded Gold Partner status by Magnolia

Hamburg, Germany, 18.02.2020 — dev5310 GmbH & Co. KG your technical solution partner, today announces that it has been awarded Gold Partner status by leading content management provider [Magnolia](#).

dev5310's new status as Gold Partner recognises the organisation's long-standing commitment to offering Magnolia's content management system to help clients succeed in the age of omnichannel marketing and personalization.

dev5310 has been instrumental in finding technical solutions for the most challenging requirements.

Commenting on the partnership, Tim Brown, CEO at Magnolia said, "Our Gold Partners like dev5310 are integral in championing Magnolia as the content management system of choice as we continue to grow and expand our business."

Peter Müller added: as a boutique tech consulting & solution company, success is vital to us. magnolia recognizes our commitment in finding technical solutions for the most challenging requirements and awards gold status to us.

Magnolia's Partner Program was set up to establish a wide network of skilled and experienced partners to deploy the company's CMS solution. Highly skilled partners work to implement and integrate Magnolia's marketing technology across a range of verticals globally.
